WELCOME ADDRESS

Dear colleagues and friends,

The **Barcelona International Arthro Shoulder Surgery Course** (www.biass-barcelona.com) welcomes you back this year in late autumn. We are pleased to invite you to this fascinating event on reconstructive shoulder surgery.

This fantastic 3-day live surgery course showcases cutting-edge open and arthroscopic techniques, lectures, clinical cases, and lively discussions and will take place from November 29-December 1st, 2023.

This 3-day course will feature 16 shoulder surgeries moderated by some of the most renowned leaders in shoulder surgery. We will have ample time to discuss indications, technical tricks, and results. The lectures and clinical cases are presented by distinguished faculty and open to discussion with the attendees in an amicable atmosphere.

Our meeting will take place in the Hospital of Bellvitge in Barcelona, 15 minutes away from the city center and close to the international airport. Our weather in the late autumn season is still pleasant in the Mediterranean city of Barcelona, with top cultural items to visit, exquisite restaurants to dine in, and beautiful parks to stretch your legs as an add-on to your course.

We can't wait to host you!
