WELCOME ADDRESS

Dear colleagues and friends,

The Barcelona International Arthro Shoulder Surgery Course welcomes you back this year in November 2025. We are pleased to invite you to this fascinating event on reconstructive shoulder surgery.

This fantastic 3-day live surgery course showcases cutting-edge open and arthroscopic techniques, lectures, clinical cases, workshops and lively discussions and will take place on 12-14 November, 2025.

This 3-day course will feature 18 shoulder surgeries moderated by some of the most renowned leaders in shoulder surgery. We will have ample time to discuss indications, technical tricks, and results. The lectures and clinical cases are presented by distinguished faculty and open to discussion with the attendees in an amicable atmosphere.

Our meeting will take place in the Hyatt Regency Barcelona Tower, located in front of Hyatt Regency Hotel, beside the Bellvitge Hospital and 10 minutes away from the city center and close to the international airport. Our weather in the mid November is very pleasant in the Mediterranean city of Barcelona, with top cultural items to visit, exquisite restaurants to dinner in, and beautiful parks to stretch your legs as an add-on to your course.

Welcome to Barcelona!
